● ABOUT MYSELF

IT student with hands-on experience in web application development and internal systems through professional internships. Currently preparing for the CompTIA PenTest+ certification with a strong focus on penetration testing, networking, and web security. Continuously developing practical cybersecurity skills through labs and self-study, with the goal of building a career in offensive security.

● EDUCATION & TRAINING

21/09/2020 - 28/07/2023 - BRAGA, PORTUGAL

IT SYSTEMS MANAGEMENT AND PROGRAMMING- EPB - ESCOLA PROFISSIONAL DE BRAGA

● WORK EXPERIENCE

02/05/2022 - 24/06/2022 - BRAGA, PORTUGAL

INTERNSHIPABB - ALEXANDRE BARBOSA BORGES, S.A.

- I worked as an intern at the company, where I was responsible for developing a web application tailored for internal business needs.
- Worked with team members to ensure that the system was functional, user-friendly, and secure.
- Gained hands-on experience in full-stack web development using tools like HTML/CSS, JavaScript, and PHP.

01/05/2023 - 28/07/2023 - BRAGA, PORTUGAL

INTERNSHIPABB - ALEXANDRE BARBOSA BORGES, S.A.

- A social media-style application was developed for the company to display certain internally requested data, where employees could request time off, view available vacation days, and access other important internal company information.
- Assisted in testing, debugging, and improving user interface based on feedback.
- Worked with senior developers to ensure the app met internal needs and provided a seamless user experience.

17/09/2024 - CURRENT - BRAGA, PORTUGAL

MECHANICAL ASSISTANTCR - OFICINA MECANICA

- Assisted with vehicle diagnostics and repairs
- Supported daily workshop operations and maintenance tasks
- Worked directly with customers and suppliers when needed
- Developed problem-solving and teamwork skills in a fast-paced environment
